DECLARATION OF LINDA FOLTIS UNDER 37 C.F.R. 1.131

Sir:

I, Linda Foltis, hereby declare and say that:

1. I am a co-inventor of the above-identified U.S. Patent Application No. 10/630,560 for "Hair and Skin Altering and Protecting Compositions," filed July 30, 2003 ("the Application").
2. On information and belief, ISP Investments, Inc. ("ISP") is the assignee of the entire right, title and interest in this application.
3. Application No. 10/630,560 describes my invention directed to hair and skin altering and protecting compositions.
4. Prior to December 21, 2001, ISP provided certain polymers, including "ACP 1234" described in this Application, to L'Oreal as part of ongoing marketing research. We provided both a presentation and samples of the polymers. A copy of the presentation is attached hereto as Exhibit A. As a co-inventor of the present Application, I conceived and authored subject matter of the disclosure, and I have knowledge of the information provided.
5. Under my supervision and control, the polymers that are described in the present application, and that were disclosed to L'Oreal prior to December 21, 2001, were successfully

tested by us in combination with a wide variety of cosmetically acceptable additives for treatment of skin or hair.

6. I further declare that all statements made hereinabove are of my own knowledge and are true, that all statements made on information and belief are believed by me to be true and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 8 of the United States Code and that such willful false statements may jeopardize the validity of a patent application or any patent issuing thereon.

Respectfully submitted,

Date: April 28th 2010
